

assassin's creed: liberation hd repack  
by r.g mechanics naswari zohaib  
October 5, 2018 at 11:13 pm # My  
game crashes 5 minutes after starting  
the game. Has anyone managed to  
win? I have been unable to do so for 2  
days now. I do not know what to do.  
How can I get back the money that I  
paid for the game? I bought a license. I  
think a lot of people have this

---

problem. Please help me decide. I just deleted the game on steam and want to download it again to fix this problem, but he writes to me that he cannot find the files. I can't even exit the game.

---
